

## Case Study

📍 Autumn Pubs Limited, Various

Service :  
Building Survey

Pinders was appointed by Autumn Pubs Limited to carry out Building Surveys on a portfolio of 11 pubs which were being offered as a group sale.

The buildings were of different ages and forms of construction and dated from The 18th to the 20th century. A number of the buildings were Listed and others stood within Conservation Areas. The Pinders Building Services Team carried out the surveys over a short period.

The Team identified a range of issues within the structure and fabric of the buildings, as well as within the building services to the properties.
