

## Case Study

 Oxford Street, Central London

Service :  
Design & Project Management

Pinders were appointed to design and project manage the fit-out of a Head Office in Central London, to accommodate 120 staff.

The project, which involved the installation and adaption of services, data infrastructure and interior design, was fast tracked through to completion and occupation within three months.

Contact the Project Services Team on 01908 350500, or email [project@pinders.co.uk](mailto:project@pinders.co.uk) to discuss your requirements.
