

## Case Study

📍 Cottam, Preston

Service :  
Project Monitoring

Pinders were appointed by Lloyds Bank to monitor the construction of a 200 place Children's Day Nursery consisting of two separate buildings connected by a covered walkway.

Key elements of our monitoring role included a detailed project review at the outset, ensuring that all consultants' designs and provisions for the development were in place and appropriate; monthly progress reviews; and signing off cash drawdowns at various stages of completion.

Contact the Project Services Team on 01908 350500, or email [project@pinders.co.uk](mailto:project@pinders.co.uk) to discuss your requirements.
